Dear Elsie & Mr. Duckworth -

Regarding the Pacific Rim, Bud says that he ordered and purchased 100 copies of this map, but has since given them all away (smile)

He gave me the names of two websites where you can possibly find what you are looking for:

- 1) Maps.com - <http://www.maps.com/map-store/>
- 2) Hema - <http://www.hemamaps.com/Home/tabid/90/Default.aspx>

Hema is based out of Australia and that's where Bud originally purchased the maps.

Hope this helps !!!!! (If not let me know)

Dave,

I was wondering if you would be able to help me. Do you know where Bud got the "Centric Map" of Pacific Rim? Its displayed in his office and we would like to purchase a replica.  
Will you let us know if you find out?

Thanks for your time,

Warm regards,
